

I was really a depressed person. Even though I was a Christian, my life was still in constant turmoil. I was even contemplating suicide.

I found your radio program by luck (or so I thought!) and you gave me hope. I ordered Classic Christianity, and it made a HUGE difference in my life. I found real purpose and hope, real life in Jesus Christ. I want to thank you so much. Your ministry has been a true lifeline from the Lord! God bless you!
