

Your book, Classic Christianity, is one of the most profound books I have ever read. I am 63, and have been a Christian for 25 years. I have been active in evangelism and discipleship, and in my church. Almost every page of your book provided a clearer picture of concepts I have known for years. Many things I now view in a much healthier and effective way. I have given away many copies of Classic Christianity, and have used it in a number of group and one-on-one studies. It should be required reading for all believers.
